Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Sunday 24 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Eastern parts dry with clear spells, elsewhere breezy with showers.

This Evening and Tonight:
Cloud and patchy rain slowly clearing the southeast. Then all parts seeing clear spells and, although largely dry in the east, many other areas will see showers, some heavy, especially near western and southern coasts. Breezy, particularly in the north.

Monday:
Sunny spells with blustery showers extending east to all parts by late morning. Some heavy and thundery showers likely. Breezy again, especially in the north and near showers. Feeling cool.

Outlook for Tuesday to Thursday:
Unsettled in the northwest with prolonged and occasionally heavy rain at times. Mostly dry and bright in the southeast, although some rain possible here by the end of the week.
